SCIEX OS software

Acquisition

Batch · Queue

MS Method · LC Method · MS Tune

Processing

Explorer · Analytics

Marker View · Molecule Profiler · Biologics Explorer

Management

Configuration · Library · Event Log · Audit Trail

3 reasons
for transitioning to SCIEX OS software!

1 SIMPLIFIED USER EXPERIENCE
Reduce training time and enhance lab efficiency

2 AUTOMATED DATA PROCESSING
Minimal user intervention = maximum productivity

3 CALCULATED COLUMNS AND FLAGGING RULES
Obtain greater data integrity and eliminate bias

Analyze data like never before!
